Printed versions are available from school districts upon request.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Fox Creek High School’s 2013-2014 school year was one of continued improvement. Academically, we received an Excellent rating on our South Carolina Department of Education School Report Card. We also won our fourth consecutive Palmetto Gold Award. We are the proud recipients of the Palmetto Gold Award five out of the last six years. Our seniors had an outstanding 20 students qualifying for the Life Scholarship. We brought back our AP English program and celebrated the success of 7 students passing the exam. Fox Creek High School has continued to advance its college courses taught on our campus. Our Silver Fox Academy now hosts 35 hours of Dual College Credit.

With the expansion of programs of study, Fox Creek has enjoyed the growth of our faculty. Over half of our faculty have advanced degrees with four individuals qualifying to teach at the collegiate level. They have won numerous awards of merit for professionalism including 10 WJBF Golden Apple Award winners and 2 WRDW Time to Care Awards. We currently have 3 faculty members who are National Board Certified.

Fox Creek has continued to focus on upgrading technology to meet the most current 21st century landscape. Through Perkin’s Funds we will be able to upgrade our primary lab to house 32 Dell All-in-one computers. We are fortunate to have two full size computer labs with plans to create a 3rd computer lab in the near future. We saw the addition of 50 Chromebooks that were used to take the place of textbooks with a pilot group of incoming freshman this year. Due to the programs success we are going to add 50 more Chromebooks for the 2014-2015 freshman. All of our classrooms boast large-scale media displays in the form of LCD projectors or flat screen televisions wired to the teacher’s computer.

Students perform better academically when they are invested in the school both socially and athletically. As a result we have continued to add clubs to provide social outlets and investment opportunities for our students in our community. Two years ago the Spanish National Honor Society was created and we had the second full year of our Tri-M Music Honor Society. Our athletic programs enjoyed continued success with 8 of our 10 varsity sports advancing to the play-offs.

We look forward to continued progress in the 2014-2015 school year. We are excited about new beginnings and many outstanding student successes!

A. Joshua Trahan, Principal
